DOVE results in the TV

Variation

Bracknell 72% HbA1c <59
MK 61.5% HbA1c <59

Slough £254 per pt
Bracknell £329 per pt

Summary points

- None of us are in the 'good outcomes, low costs' quadrant
- Considerable variation in cost and HbA1c attainment. 7/11 CCGs are in the 'poor outcomes, high cost' quadrant
- We all need to do better, but we are starting at different places
- Here's what we are doing about it!
