Novo Nordisk has provided a grant to support speaker honoraria and travel costs, delegate subsistence and accommodation, & venue hire for this meeting.
Novo Nordisk has had no input into the agenda or meeting content.
Faculty List

Dr Pratik Choudhary

Education: MBBD, MRCP, MD
Current position: Senior Lecturer & Consultant in Diabetes
Interests: Mechanisms and management of hypoglycaemia unawareness, use of technology in the management of diabetes, B-Cell replacement (Transplantation in Diabetes)

Professor Nicholas Finer

Education: BscHons, FRCP, FafN, FTOS
Current Position: Honorary Professor and Consultant Endocrinologist and Bariatric Physician at the University College London Hospitals
Interests: Obesity treatment and type 2 diabetes

Dr Ian Gallen

Education: MD, FRCP, FRPCE
Current position: Consultant Endocrinologist
Interests: Management of diabetes with sports and exercise

Dr Jyothis George

Education: FRCP (Edin), PhD
Current Position: Senior Clinical Researcher, Diabetes Trials Unit and Hon. Consultant, OCDEM
Interests: Clinical lead for EXSCEL CV outcome study, Chief Investigator for Phase 2 trials in male hypogonadism and PCOS.

Professor Stephen Gough

Education: MD, FRCP
Current Position: Professor of Diabetes, University of Oxford and Consultant Physician, Oxford University Hospitals NHS Trust
Interests: Diabetes translational research, islet cell function, GLP-1 and genetics of common endocrine disease

Professor Rury Holman

Education: FRCP, FMedSci
Current position: Professor of Diabetic Medicine, University of Oxford and Hon. Consultant Physician, Oxford University Hospitals NHS Trust, Diabetes Trial Unit Director, NIHR Senior Investigator, Diabetes Theme Leader for the Oxford Biomedical Research Centre
Interests: Improving clinical outcomes for people with diabetes, global cardiovascular outcome trials in diabetes, translational trials of new drugs and devices, insulin use in type 2 diabetes

Professor Fredrik Karpe

Education: MD, PhD, FRCP
Current Position: Professor of Metabolic Medicine, Consultant Physician and Deputy Head of Department
Interests: Human adipose tissue function and metabolic consequences of obesity. Mechanisms of hyperlipidaemia

Dr Jonathan Levy

**Education:** FRCP  
**Current Position:** Consultant Diabetologist at the Oxford University Hospitals NHS Trust  
**Interests:** Type 1 and type 2 diabetes, diabetes in pregnancy, insulin pumps in type 1 diabetes, beta cell function modelling

Dr Alistair Lumb

**Education:** PhD, MRCP  
**Current Position:** Consultant in Diabetes-General Medicine at the Oxford University Hospitals NHS Trust  
**Interests:** Diabetes and exercise, technology in the management of diabetes (insulin pumps and CGM), inpatient diabetes care, antenatal diabetes, transition from paediatric to adult diabetes care

Professor David McCance

**Qualifications:** BSc, MD, FRCP, DCH  
**Current position:** Consultant Physician/Honorary Professor of Endocrinology and Diabetes, Regional Centre Diabetes and Endocrinology, Belfast  
**Interests:** Diabetes in pregnancy

Professor Katharine Owen

**Education:** MB, ChB, BSc, MD, MRCP  
**Current Position:** Senior clinical researcher and Honorary Consultant Physician, University of Oxford and Oxford University Hospitals NHS Trust  
**Interests:** Translational research, genetics of diabetes, monogenic diabetes, diabetes in young adults

Dr Rustam Rea

**Education:** DM, FRCP  
**Current Position:** Consultant in Diabetes and Acute General Medicine, Oxford University Hospitals NHS Trust  
**Interests:** Insulin pump therapy, inpatient diabetes care, integrated diabetes care

Dr Garry Tan

**Education:** MB, FRCP, DTM&H, DPhil  
**Current Position:** Consultant Physician  
**Interests:** Obesity, Lipodystrophy and basic and translational work with cannabinoids, organisation and delivery of care

Professor Jeremy Tomlinson

**Education:** BMBCh, PhD, FRCP  
**Current Position:** Professor of Metabolic Endocrinology and Consultant Endocrinologist  
**Interests:** Pathogenesis of human obesity, insulin resistance and non-alcoholic fatty liver disease.

Dr Matthew Wintle

**Education:** MB BChir MRCP(UK)  
**Current Position:** Clinical Researcher & Honorary Physician  
**Interests:** The Translation of Innovation
