

Invest in Oxfordshire Job Advert

Business Development Manager focusing on Life Sciences

Job Title:	Business Development Manager focusing on Life Sciences
Hours:	37
Job Type:	Fixed Term Contract to cover secondment until 30 th September 2015
Salary:	From £38,807
Responsible to:	Invest in Oxfordshire Director

Invest in Oxfordshire is looking for a candidate to provide full time secondment cover for a fixed term period of 12 months from September 2014.

This is an exciting opportunity to work with the Invest in Oxfordshire team and lead their life sciences work stream.

This will include lead generation and the management of life sciences inward investment projects to Oxfordshire and account management of companies already located within the vibrant life sciences sector in the County.

The successful candidate will be knowledgeable in the life sciences sector with experience of business development in order to continue established collaborations with partners including, but not limited to:

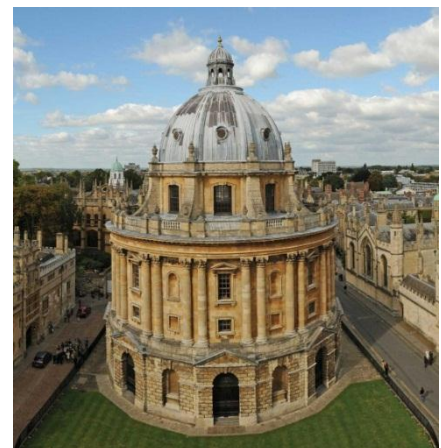

- UK Trade and Investment (UKTI)
- OBN
- Oxford Academic Health Sciences Network
- University of Oxford
- Diamond Light Source
